Nylon Snap Hook

A replacement piece for attaching flags to halyards.
$1.95 (120.211)

Printed U.S. Flags

Same quality fabric as embroidered flags.
$13.95 (101.100) 3'x5' nylon
$11.95 (101.101) 3'x5' cotton

All our flags are constructed with quality:

- Embroidered Stars (appliquéd stars for flags 12'x18' and larger).
- Sewn Stripes with double-stitched seams.
- Outside edges have 4 rows of lock stitching to resist tearing.
- Heavy canvas headings with full-sized brass grommets.
- 100% Made in the U.S.A.

Choose your quality of fabric:

Good: Cotton

Our cotton flags are colorfast to sun and rain, and exceed government strength standards.

Better: Nylon

Nylon flags have brilliant color, are lightweight, quick drying, and will fly with the slightest breeze. They are durable and resist stretching. Our most popular flag.

Best: Polyester

Polyester flags are engineered for industrial, commercial, or institutional use. Ideal where high winds or stressful conditions exist. Our toughest, strongest, longest-lasting flag.

According to popular usage, the length of the flag should be approximately ¼ the height of the pole.

How Long Will My Flag Last?

Our flags meet or exceed the federal standard of 90 days of use (sunrise to sunset, with protection during inclement weather).

For best results, do not expose your flag to rain, snow, or abnormally high winds, as these elements can shorten your flag's life considerably.

Avoid flying your flag when it is wet. Flying a heavy, wet flag in the wind puts excessive strain on the fabric and stitching, and will greatly reduce the life of your flag. Should the flag become wet, spread it out and allow it to dry completely.

Regardless of how well it is constructed, a flag is not indestructible. Since they're made out of fabric and subjected to the elements, flags will wear out sooner or later. Reasonably good care of your flag can contribute greatly to give it a longer life.

Patch Attach

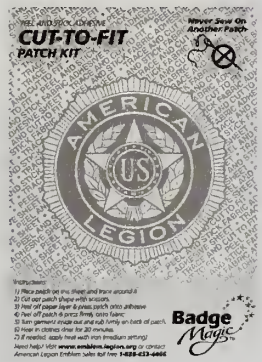
Permanent, washable, dry-cleanable, non-toxic. A quick way to attach patches...with no sewing! Designed to bond almost any patch to fabric. So put away your needle and thread, and use "Patch Attach" instead!

How to use:

1. Apply "Patch Attach" along the EDGE of the entire patch back (do not apply to entire patch back).
2. Let glue dry for 10-20 minutes.
3. Position patch on the garment. Cover with a press cloth (such as an old T-shirt) to prevent scorching.
4. Press with a dry iron on cotton setting (no steam) for 60 seconds.
5. If possible, iron on reverse side for additional 30 seconds.

$2.95 (820.500)

Badge Magic



Never sew on another patch! Unique peel-and-stick adhesive makes patch application easy. Once applied, adhesive will withstand washing and drying (do not dry clean). Each sheet of Badge Magic (4.25" x 6") will apply one patch up to 4", or multiple smaller patches.

How to use:

1. Place patch on adhesive sheet, and trace around it.
2. Cut out patch shape with scissors.
3. Peel off paper layer, and press patch onto adhesive.
4. Peel off patch, and press firmly onto garment.
5. Turn garment inside out, and rub back of patch firmly.
6. Heat in clothes dryer for 20 minutes.
7. If needed, apply medium heat with iron for 5-10 seconds.

$1.50 (820.501) **one sheet**

Self-Sticking U.S. Flag Patch

An easy way to apply a patch to any garment... just peel it & stick it. The adhesive is strong enough for everyday wear, but not permanent, so the patch may be peeled off and reused on other garments. Durable, reusable, and washable (dry clean only).

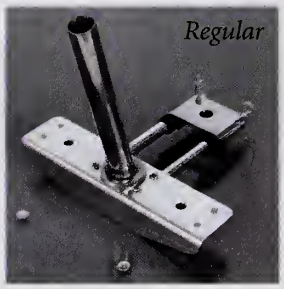
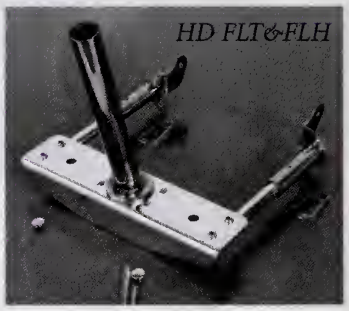
Motorcycle Parade Flag Holder NEW!

A ready-made, high-quality parade-use flag holder. Innovative design, versatile, easy on-and-off. This parade flag holder bar is designed to fit any motorcycle with a trailer hitch. It includes a chrome receiver bracket that is permanently bolted onto the trailer ball and will not interfere with your trailers coupler (for Harley Davidson® FLT™ & FLH™ models, two small receiver tubes bolt onto the lower fender, and or saddlebag supports, and remain virtually unseen). The flag holder bar can then be installed or removed from the receiver bracket in seconds by removing two safety pins.

- Includes one flag holder socket. One or two more can be added (sold separately, #120.222) to accommodate up to three flags.
- The sockets accommodate up to 1-1/4" diameter poles, and are machined at a 150-degree angle to their bases. They can be rotated and tightened to display your flags, angled to the rear, sides, diagonally, or any combination of these.
- All components are machined from aircraft quality aluminum and steel, then polished to a flawless finish and triple chrome-plated.
- Flags and poles not included.
- Made in USA.

$149.00 (120.220) regular
(120.221) Harley Davidson® FLT™ & FLH™ models

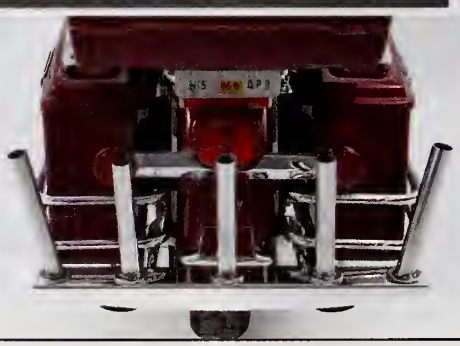




5-Flag Parade Bar

Three flags not enough? This large flag holder bar accommodates one to five flags. It will replace the smaller bar on either 120.220 or 120.221. (NOTE: Must be used with 120.220 or 120.221.) Additional flag holder sockets 120.222 are sold separately.

$99.95 (120.223)



Flag Holder Socket

Order additional flag holder sockets to display multiple flags on Parade Flag Holders 120.220 or 120.221 or 120.223.

Telescoping Parade Flagpole NEW!

This collapsible telescoping flagpole goes from 18" (small enough to fit in most saddlebags) to 6½ feet in seconds with positive twist locks inside each section. The bottom section is 1¼" in diameter, and slides snugly into all of our parade flag holders (sold separately).

- Made from lightweight and strong aircraft aluminum tubing.
- Features a durable silver anodized finish, quick release flag mounting clips, and topped off with an attractive gold ball.
- Designed for displaying flags up to and including 3' x 5'. (Flag not included)
- Made in USA.
- NOTE: This flag pole is meant for parade use only, and is recommended for use at a maximum speed of 25mph (due both to the adverse handling that a flag can cause at higher speeds, as well as the load limit of the flag pole.)

Never sew on another patch! Unique peel-and-stick adhesive makes patch application easy. Once applied, adhesive will withstand washing and drying (do not dry clean). Each sheet of Badge Magic (4.25" x 6") will apply one patch up to 4", or multiple smaller patches.

How to use:

1. Place patch on adhesive sheet, and trace around it.
2. Cut out patch shape with scissors.
3. Peel off paper layer, and press patch onto adhesive.
4. Peel off patch, and press firmly onto garment.
5. Turn garment inside out, and rub back of patch firmly.
6. Heat in clothes dryer for 20 minutes.
7. If needed, apply medium heat with iron for 5-10 seconds.

Patch Attach

Permanent, washable, dry-cleanable, non-toxic. A quick way to attach patches...with no sewing! Designed to bond almost any patch to fabric. So put away your needle and thread, and use "Patch Attach" instead!

How to use:

2. Let glue dry for 10-20 minutes.
3. Position patch on the garment. Cover with a press cloth (such as an old T-shirt) to prevent scorching.
4. Press with a dry iron on cotton setting (no steam) for 60 seconds.

We Need Your Help!

Protect Your Name

Did You Know…

- Only the National Adjutant, or his designated representative (American Legion Emblem Sales), may give authority to use the registered names, emblems, or logos of The American Legion, in accordance with trademark law and National Executive Committee resolutions.
- No officer or member of a Post, County, District, Department, or other unit of The American Legion, has the authority to grant the right to manufacture, reproduce, or deal in items bearing the name, emblem, or logos of The American Legion or any colorable imitation thereof.

Why Protection?

- A basic principle of trademark law stipulates that organizations risk losing the exclusive right to use their registered trademarks if they fail to protect the marks from unauthorized use. Loss of exclusivity would allow individuals to exploit The American Legion name, emblems, and logos for personal gain. Public awareness of such exploitation could reduce the effectiveness of every Post's fund-raising and service projects.

How Can You Help?

- If you have a need for shirts, caps, pins, tacks, signs, stickers, etc…ask American Legion Emblem Sales first. Call us toll-free at 1-866-632-7131. We will either produce the items for you, or, as a designated representative of the National Adjutant, grant permission to have them made with an authorized manufacturer.
- Do not allow local companies to reproduce our name or emblem. Screen printers, embroidery shops, and any other manufacturer, are in violation of federal trademark law if they reproduce any of our names or emblems, and may be prosecuted. If you become aware of any such abuses, notify us toll-free at 1-866-632-7131.
- Order all of your American Legion-family merchandise from American Legion Emblem Sales. Proceeds from your purchase go directly into the Legion's and Auxiliary's general fund, which helps to finance all the successful programs and activities of The American Legion-family.

Public recognition and trust of The American Legion name and other American Legion-family registered trademarks are among the most valuable assets of the organization. Please help protect them.

Selected companies have been granted a license to produce items bearing the name or emblem of The American Legion. For an up-to-date list of these companies, please refer to our web site: **emblem.legion.org**
